

ARADO – biography

City > Cologne, DE

Label > Desolat, Roush Label , 102

Sometimes it only takes a single release to set an artist on a tumultuous path. Arado's adventure begins as such with his debut release in autumn 2009. From Desolat he takes the "Uganda Express" whose Wild-Pitch not only sent him straight on the playlists and charts of major issuing music DJs furthermore it turned out to be an one way ticket to an international DJ career.

After a few stopovers on Area Remote, Allin and Dame Music he is headed for Moon Harbor and he shoots again for the stars with „Strange Neighbors“ The scene and press both agree on the fact that house made in Germany has never sounded so mondial like with Arado.

This is verified by Arado's following releases on Snatch Records, Avotre, Etruria Beat and Italy's on the rise label Moan Recordings and Remixes for Hector Couto, Klangkuenstler, Pascal FEOS, Martinez, Marco Faraone, Yaya, and Bunte Bummler.

Constantly developing grooves and deepness grabbing ahold with artful placed elements of

surprise is not only the character of his productions Arado also brings it to the decks. The charismatic DJ from the Rhineland demonstrates this as he tours the world side by side with the leading DJ elite.

Once infected with the Arado bug it's nearly impossible ever to recover. With amazing shows at places where he is known the best are Extrema Festival(BE), Thaibreak, WMC (Miami) and Sonar (Barcelona). At Open Airs such as Kiesgrube (Neuss), Woodstock69 (NL), Pollerwiesen (DE) and on the worlds best party island Ibiza where he plays at Space and Sankeys. You can also find him often at Café D'Anvers (NL), Tini Soundgarden & Tenax (IT) and in New York. No matter where his journey may take him Arado will never lose sight of his home base the 102 Club in Neuss. His residency allows him on a regular basis back to his native party haven where Arado is well known for celebrating excessive sets way past the crack of dawn.

Keep an eye on Arado as he will soon be coming to sound system near you!
